**Subject:** Needing help please on the media triage tracker.  
Sharepoint fail..JPG

Hi George,  
Not sure if you are the correct person to send this to, but, I had started putting some media inquiries in the media tracker this morning, and now my updates aren't showing. I am also not seeing anything new that has been added. I'm in the JIC in Durango

I am getting the below error message when I go into the sharepoint site.

**Janie Acevedo-Beauchamp**
